

Press Release:

April 30, 2014

nVision Global Technology Solutions, Inc., a leading Global Freight Bill Audit, Payment & Logistics Information Management Services provider has been designated a **Top 100 Logistics IT Providers for 2014** by **Inbound Logistics**. **nVision Global** has been selected every year for the last 7 years now.

Every April, Inbound Logistics editors recognize 100 logistics IT companies that support and enable logistics excellence. Drawn from a pool of more than 300 companies, using questionnaires, personal interviews, and other research, Inbound Logistics selects the Top 100 Logistics IT Providers who are leading the way in 2014.

Editors seek to match readers' fast-changing needs to the capabilities of those companies selected. All companies selected reflect leadership by answering Inbound Logistics readers' needs for simplicity, ROI, and efficient implementation.

"We are truly honored to once again be designated as an **Inbound Logistics Top 100 IT Providers**" notes Keith Snavey, Senior Vice President, Global Sales & Marketing at **nVision Global**.

All Associates at **nVision Global** are dedicated to our continued global expansion and value-creating technologies that provide verifiable bottom line savings for our customers."
